C.L. Gottmann has been a part of MHS for the past 12 years. The first five years he was a teacher of government and coach of the tennis team. The past seven years he has been principal.

His tennis teams had the enviable records of 13-0 during each of his last two years as coach. The team won two NLC championships and the sectional title in 1969.

A resident of North Manchester for 24 years, Mr. Gottmann came here from a superintendent's position in Missouri. Before becoming a teacher at MHS Mr. Gottmann was a member of the local school board.

Mr. Gottmann takes great pride in the community and in the achievements of Manchester High School students and teachers. Under his capable leadership MHS has been a high school in which each of us is proud to be a part.

Gerold "Doe" Faudree was Athletic Director at Manchester High School for 18 years. Mr. Faudree was instrumental in initiating new sports programs for both boys and girls.

Mr. Faudree's career began at Deedsville High School. He then moved to Jefferson Center before coming to Chester Township in 1942. This began his long association with the North Manchester community. While at Chester his basketball squads compiled a record is 362 wins and 210 losses. On the varsity level his teams won six county basketball championships, two sectional titles and one regional championship.

The highlight of Mr. Faudree's coaching career was in 1948 when his basketball team won its first 27 games, including victories over Kokomo and Marion in the regional tourney. Chester met defeat in the 28th game of the season again Portland High School in the third round of the state tournament.

Mr. Faudree has also been active in community affairs, including the United Methodist Church, the Manchester Community Foundation, the Recreation Board and Rotary.

Mr. Faudree's contributions to Manchester High will be remembered for years to come. Much of his work was beyond the call of duty. Students have gained much through their association with a man such as "Doe" Faudree.

1976 Was . . .

A year of snow, the real stuff, with many days when school was closed because of bad roads

A year of study, also the real stuff, we hope.

Future Farmers of America

The Manchester FFA chapter has tired to live up to the motto by being active during the past year in many projects of the school and community.

The main activities of the chapter were:

Farming 60 acres of corn, 40 acres of soybeans and 10 acres of oats.

Selling 600 Christmas trees to the public.

Selling ice cream at fair and street events.

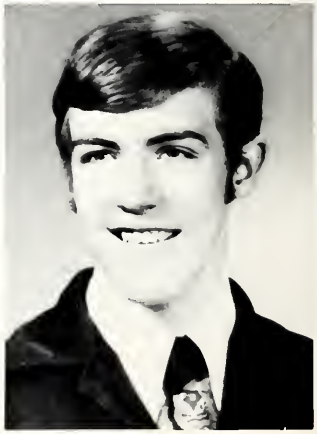
Garden seed sales.

Selling citrus fruits

Helping build the community bike trails

Building a cabinet at the state leadership center.

The chapter received many awards, including honors at the National Soil Judging event, the sectional Agri-Business winner and having two Hoosier Agri-Business winners.



Randy Sparrow won District V and Section II Agri-Businessman awards and finished as one of the first four Agri-Businessmen in the state contest.

Rick Music, Ron Rice, Craig Hufford and Curt Stephen presented awards at FFA banquet.

The Livestock Judging team was made up of Scott Rice, Brian Neeley, Ron Rice, Dan Flora and Gregg Terrill.

The Soils Judging Team consisted of Craig Hufford, Randy Sparrow, Curt Stephen and Dick Peden.

Outstanding classmen were Brian Neeley, Dick Peden, Ted Nichols and Phil Cripe.

Joe Stacy, Curt Stephen, Joe Steele and Dick Peden formed the FFA Dairy Judging Team.

The Sunshine Society is one of the oldest and largest student organizations at Manchester High School. The club's history goes back to the old Central High School which served North Manchester before the present school system was organized.

The local Sunshine Society is part of a state-wide organization for high school girls. In fact, the Manchester club has played host (or hostess) to the Indiana State Sunshine Convention in the past.

A recent project of the club has been the purchase of the electric water coolers found along the halls of the high school. Annual events include the candy sales drive, the Spring Prom, the dance held on or about St. Valentine's Day and the distribution of seasonal flowers to shut-ins.

The Student Council, made up of representatives elected from each home room, functions as the arm of student government at Manchester High School. From the Student Council comes the president of the student body,who is elected each year at the close of school and who serves for the school year following his election.

Major events sponsored or supervised each year by the Student Council include one or more dances throughout the school year, all Homecoming activities, including the parade and the dance following the football game, the Christmas dance and the exchange program which brings members of the student councils of other schools to MHS for a day.

In previous years the Student Council also helped to organize the mini-course program, but in 1976 the courses were not held.

The theme for the 1975 Homecoming was "Those Star-Spangled Year" and brought Manchester High School back to the 1950s--a time when there was no Manchester High School. How's that for turning back the clock?

Clubs and classes worked hard on the floats which have been a highlight of Homecoming since the first year that MHS was in existance.

The Seniors won the float contest for classes with their entry called "Cross Over the Rockies" and the Spanish Club won the float division for clubs with "Rock Around the Clock".

Judy Johnson was crowned as Homecoming Queen and Dave Burgess was chosen Homecoming King.

The sad note of the night was Manchester's defeat at the hands of Plymouth, 21-3.

Sectional Champions 1976

As local sports go, wrestling is still one of the "newer" entries on the athletic scene at Manchester High School. However, the sport has already won a reputation here and Manchester wrestlers have conistently won regional, semi-state and state honors. This year's wrestlers were not to be denied as Dennis Haynes and Steve Aughinbaugh went to the state meet and Craig McBride won at the semi-state.

ROW 2: Steve Auginbaugh, Mark Barnholt, Tony McKee, David Kelsey, Randy Sparrow, Kris Airgood, Bobby Shepherd, Mike Clapp, and Coach Miller.

The cross country team had another winning season, the eighth in a row for that team. The record this year was 12 wins and only one loss. The only team to top the Squire cross country squad was Huntington's team which was ranked eighth in Indiana at the end of the season.

The Squires swept to victory in the Northern Lakes Conference meet and won major matches at Bloomington and 'Busco as well as copping the Hokem Karem and their own Manchester Invitational.

The goal this year was to qualify for state, but the Squires fell short at Regional by placing sixth in a field that included five of the top 15 teams in Indiana.

The Squires finished the season ranked 18th in the state.

Sectional Champions

Girls' basketball has come a long way. 1976 was the first year for a Girls' State Basketball Tournament. But more importently, a Sectional tourney at Northfield saw Manchester upset the host school, 49-47.

A winning season and a sectional championship were goals the team set for itself.

The team found friendship among its members and its members learned to depend upon each other.

The accomplishments of the team were based not only on the ability of the girls or their will to win, but on the friendship which held the team together.

Airgood & Burgess to State

The track team had another very successful season this year. Some of the season highlights for the year were winning the County meet for the second straight year and the third time in the last four years, finishing second at the NLC meet and the Viking Relays, and a seventh place team finish at the highly reguarded Goshen Relays. The team also broke some school records this year. Kris Airgood set a new record in the 880 and Wade Frantz tied the oldest school record, the 100 set in 1963, these are just some of the records broken.

There is no better way to end a track season than qualifing for the State meet. Manchester was represented by two individuals, the most Manchester has ever had, they are Kris Airgood in the 880 and Dave Burgess in the discus.

A 12-10 Mark for Basketball

This year's Manchester High School basketball can be described in one word, exciting. The varsity record this year was 12-10 and was the first winning season here since 1969. Six of the ten losses were by a total of 19 points and in many of the defeats the Squires stayed in the running until just before the final horn.

Highlights of the year came when Manchester defeated Peru at Peru (always a tough job) and when the Squires stopped Warsaw, 78-68. Warsaw later advanced to the semi-state tournament.

The Squires advanced to the second game of the sectional tourney before losing to Whitco, 60-57.

Other highlights were: The first winning season (4-3) in the NLC since 1967-68; the best defensive and offensive point averages in Wabash County; placement of Randy Shoemaker on the NLC all-conference team with honorable mention spots to Tim Olinger and Dave Burgess.

Dave Burgess and Tim Olinger were the team's co-captains.

J.V. BASKETBALL

ROW 1: Jim Hoffman, Mont Spitler, Dave Purdy, Larry Jackson, and John Rupley. ROW 2: Coach Benton, Brad Mishler, John Kling, Sam Knight, Mike Clark, Dennis Coe and Dan Deeter.
